N.PHAM

BRAND CREATIVE AND WEB DEVELOPMENT

ABOUT ME {let me = doIT}

As a creative and professional web developer, I live and work in the United States. Having a passion for beauty, I strive to create products that are elegant, beautiful, and full of detail.

```
import { nguyenPham } from DFW;
import { Web design, App,  Web development, Cloud/Server, SEO/SEM, Writer/Poem } from Self;

type skillsEngineers = {
  hire?: available;
  dob?: 'Aug 16-1983';
  location?: "Fort Worth, Texas";
};

class Resume extends  Docs {
  render()  {
    return (
        <Hello>I am Nguyen Pham!</Hello>
        <IamWorking on={`my monster's computer, drinking coffee, and thinking about some food...`} />
    );
  }
}

export default Resume;
```

THINK >__

It used to be my belief: Design and code were my passion until I suddenly realized it was my life.
